

### Info for Parents

---

#### Arrival

Portchester SC is located in Waterside Lane, Portchester, Hampshire, PO16 9QN, next to Portchester Castle which is well signposted by brown signs. There is a free car-park shown to the left of the picture, please leave your cars here. If this is full there is another car-park right in front of the castle at the end of Castle Street, or parking in Castle Street itself. You will be met by members of our welcome team, who will show you where to put your boats (in the grass area next to the Castle at the end of Waterside Lane), trailers can be left within the Club grounds.

Early arrival (from Friday evening) can be arranged by contacting [sailing@portchestersc.org](mailto:sailing@portchestersc.org). You can store boats and trailers within the club compound overnight. If you are taking part in the Coaching day on 30<sup>th</sup> June, likewise boats can be stored overnight in the compound.

#### Registration

Your welcome team member will show you where to go for registration within the clubhouse and will also provide you with a gate code for the main & sea gates, please help to keep the club secure by keeping these gates closed when passing in and out unless there is a PSC duty member on the gate. You will also be directed to the changing rooms and the door access code provided. Parents will be required to sign a parent/guardian declaration on the Entry form. £15 entry ideally in cash.

## Catering

The club caterers can provide a full breakfast menu from around 09.30, including bacon rolls but also Full English, and some rather nice other choices such as smashed avocado & poached eggs or Squeaky eggs – all at very reasonable prices.

On the water snacks will be available to purchase also.

For parents, there is a full menu of good food to enjoy while your sailors are out on the water, and if it is a nice day then why not sit on the large sun-deck looking out on the water.

After racing food for the sailors is also available to pre-order at registration, and will include pasta options.

The bar will be open for teas and coffee's from 09.30 and throughout the day with a full beverage selection.

## Launching

If parents can assist with launch and recovery, that will be very helpful, under the instruction of our beach-master – but if you haven't got any waterproof shoes, don't worry there are trolley marshalls on hand.

## Timing & Format
