RRS 4 states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone." Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in this series, each competitor agrees and acknowledges that:

- a. They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the series;

- b. They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- c. They accept responsibility for any injury, damage or loss, to the extent caused by their own actions or omissions;
- d. Their boat is in good order, equipped to sail in the series and they are fit to participate;
- e. The provision of a race management team, other officials and volunteers by the event organiser does not relieve them of their own (the competitors') responsibilities;
- f. They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather and there is a crew number sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.

10 SAFETY

- 10.1 All boats shall comply with their Class safety regulations. All boats shall carry a 10m tow-line of not less than 6mm thickness.
